

**If you like to knit or crochet, 'COMFORTING HANDS OUTREACH' needs your help.**

This non-denominational Christian faith-based group makes shawls, blankets, mitts, and scarves to bring warmth and comfort to those in need.

The outreach is looking for people of all ages with a basic knowledge of knitting or crocheting with their own supplies and materials. Comforting Hands Outreach meets Tuesday Nights, from 7 to 9 pm, to work on their gifts and for fellowship.

Each gift made is done so with prayer that the recipient will receive warmth, comfort, peace, and healing in your time of need.
